[What Is a 1040 Tax Form? | Sapling.com](#)

The 1040 is the tax form individuals use to report their income to the IRS. When tax season approaches, taxpayers gather all of their documentation, including W-2 wage statements and 1099 forms showing interest and dividends and any additional sources of revenue. After adding up all the income information, taxpayers calculate their deductions and exemptions to arrive at their total taxable income. That taxable income is used to determine the amount of the refund, or the amount of tax still owed.
