### **Agatha Christie Book Series In Order**

Christie wrote so many novels some say she lost count. She was named a Dame of the British Empire in 1971. There is speculation that Agatha suffered from dementia in her later years even though she kept writing. Changes in the vocabulary and dialog of her later novels have been said by some to support this theory. There is an increasing preoccupation with older people in her writing, especially the novels *Elephants Can Remember*, and *Postern of Fate*.
