Play Ball, Amelia Bedelia by Peggy Parish - Goodreads
Oh, Amelia Bedelia! I loved her as a child, and she still is making young students laugh and connect to words and phrases we say. Play Ball serves as a nice, silly connection to my collection of baseball themed books that I've been introducing and exposing my class to.

Amelia Bedelia got mixed up on the chores she was supposed to do. She dressed a chicken in clothes! She put powder on furniture to dust it! They were angry with her at first for making such a mess of things, but then they tasted her pie and they thought it was great. They wanted Amelia Bedelia to stay but they made sure they gave careful instructions. I think anyone would enjoy reading about the funny things she does.
