[AHIP - America's Health Insurance Plans](#)

Health care works for 180 million Americans who count on employer-provided coverage for their health care.

Thanks to diverse and active competition from health plans in every state, consumers and employers have access to high-quality and affordable care. As policymakers explore changes to this dynamic market, AHIP's Coverage@Work campaign advocates for market-based solutions that protect choice and advance affordability, value, access, and well being.
