Basic English - Wikipedia

Basic English is, in essence, a simplified subset of regular English. It was presented in Ogden's book *Basic English: A General Introduction with Rules and Grammar* (1930).

Ogden's Basic, and the concept of a simplified English, gained its greatest publicity just after the Allied victory in World War II as a means for world peace.

Basic English Grammar with Exercises

This book attempts to describe some of the basic grammatical characteristics of the English language in a way accessible to most students of English.
