Nate Silver's *The Signal and the Noise* is *The Soul* of a New Machine for the 21st century (a century we thought we'd be a lot better at predicting than we actually are). Our political discourse is already better informed and more data-driven because of Nate's influence. But here he shows us what he has always been able to see in the numbers: the heart and the ethical imperative of getting the quantitative questions right.

#### [The Signal and the Noise - Nate Silver](#)

Stats guru and political forecaster Nate Silver reveals why most predictions fail, and shows how we can isolate a true "signal" from a universe of increasingly big and noisy data.
