Ugliers - Book Series In Order

The full synopsis of the story is covered in three books: *Ugliers*, *Pretties*, and *Specials*. There is a fourth book, called *Extras*, but it takes place several years after the events in *Specials* and is led by a new protagonist, Asa Fuse. Therefore, *Extras* is generally considered to be separate from the trilogy proper, but is still thought to be a must read for those who enjoy *The Ugliers* series.

Ugliers are refused entry and can't even visit their families. But of course that doesn't stop them from sneaking in every once in a while. I like that the setting of the book is

well structured. We don't learn much about this world. It is hinted, but never clearly stated, that it is the earth at some point in the future. However what we know makes perfect sense in an eerie way. When everybody

Ugliers - Scott Westerfeld

A: Each book in the Ugliers series will have more of that story. But the short version is that the Rusties (who are us, basically) were too dependent on oil. One day, a bacteria was created that changed the nature of oil and made it wildly unstable. As this oil-bug spread, everyone's car exploded, as did the oil fields we were all fighting over. Food didn't get delivered to cities, planes stopped flying, and transportation in general broke down. Relatively few of us survived.
