Need help choosing which file format to download?

teammasterpost: 100% of feminists I know who are  
protesting 50 Shades Of Grey will not watch this movie,  
including myself. I downloaded the PDF for the first book  
for free and read as much as I could bear so that I could  
actually know what I'm talking about when I protest  
against it. People do get upset about government wanting  
control.
