This convenience kit, designed to bring everything required for care directly to the bedside, includes pictorial laminated "quick reference" cards for use when performing dental blocks or taking care of the above listed clinical conditions. Items selected for inclusion in The Dental Box kit are easy to use in the Emergency Department setting.

[Emergency Drug Kit Strategies For The Dental Office ...](#)

1. An emergency drug kit is critical in the dental setting. The ADA states that all dentists should have an emergency drug kit, equipment and knowledge to properly use all items. 2. Emergency drugs, along with their actions and dosages, should be known by the dentist and his or her team. 3. Know how to use your emergency drug kit BEFORE the emergency in your office. 4.
