[Kozier & Erb's Fundamentals of Nursing, 8th Edition - PDF Book](#)

What is now considered fundamental to the practice of nursing was unimaginable to those nurses who practiced during the years of the first edition. Although the language and devices you will see in this edition differ immensely from those used by nurses before us and before you, the systematic nature of gathering data to determine health challenges and designing, implementing, and evaluating care, has not changed.

We chose our book title carefully. We have used the words

theory, concepts, application, thinking, doing, and caring because we believe that excellent nursing requires an equal mix of knowledge, thought, action, and caring. It is knowledge and its application not just the tasks nurses do that delineate the various levels of nursing. Even so, skillful performance of tasks is essential to full attainment of the nursing role.
