[How to Become a CPR Instructor - CPR Certified](#)  
Find a job. There are a wide range of ways to find work as a CPR instructor. Some people get certified as CPR instructors because the job they already have has begun requiring them to lead CPR training sessions at work. Other people work as EMT's, firefighters, and in other positions where teaching CPR is part of the job.

[5 Ways to Become CPR Certified - wikiHow](#)  
To become CPR certified, register for a general CPR course by searching online for courses in your local area. Alternatively, you could register for a basic first aid course. Before you register, ensure the program is accredited by training with an organization like the Red Cross. Additionally, you'll need to pay a fee to take the course. Then, when you attend the course, expect it to take 2 hours, after which you'll receive your certification.
