You could decide to knit your afghan by repeating several of your favorite squares, or even by making it with just one or two squares. Use the squares to come up with other projects. One square with an edging makes an ideal pillow. Back it with a plain square or a second afghan square. Use more than 25 squares and you'll have a bedspread; use fewer squares to make a baby-sized crib blanket. Refer to Knitter's School illustrations to assist you in learning new techniques.
