The chapter about the angles of the scenes and how they position the characters shows how people at Marvel would do it and how other people would and at that intent the book is absolutely perfect. It is actually, in my humble opinion, more useful as reference to experienced artists than to people who don't know how to draw.

Nick loved it and told me I'm his favorite person at Marvel; more than Mark Waid, Dan Slott, his assistant editors Alison and Devin, etc., which was really nice to hear. So, the Spider-Man cover came out, and people seemed to like it! I figured at that point Marvel would greenlight a How-To-Draw movie and I'd be set for life.
