Navien Review - Navien NR-240A

Because the Navien NR-240A has a small reservoir of hot water (think of it as a very small tank heater), if you require a small amount of hot water e.g. to wash your hands, the amount of time to get the hot water is the same as you'd wait for from a tank heater. However, if you need more than 2 litres, you'll find the wait time increases.
