[Origo 5100 HeatPal Alcohol Heater and Cooker Review ...](#)

The Origo 5100 does not play in the same league as a proper wood-burning stove in terms of self-reliance, but if that's not an option for you then this heater can have a major short-term impact on your resilience. In fact, in the city where alcohol might be more plenty than wood it could prove to be a pretty good option as a backup for heating and cooking.

[ORIGO Heat Pal 5100 Alcohol Heater | West Marine](#)

The Origo Heat Pal 5100 is a small-sized portable space heater that doubles as a single-burner stove. Simplicity and safety, plus a respectable 5,200 BTU make this a good nonelectric heater. Take the lid off and it doubles as a single-burner stove to heat coffee or warm food. The absorbent material soaks up the alcohol fuel to prevent spills. Nonpressurized, rustproof, needs no priming or preheating.

Your thoughts on Origo Alcohol Stove - WoodenBoat

Re: Your thoughts on Origo Alcohol Stove I had the use of one many years ago and found it easy, quiet, reasonably safe. Certainly they are more expensive to operate than some other stoves but to me at least, unless you are living aboard (cooking a lot every day) the difference is not enough to worry about.

ORIGO 5100 style alcohol stove - The WoodenBoat Forum

Hello. I've had a few and I don't really like them. They are easy to install but that's it. The alcohol produces a lot of moist when burning and the non smelly origo alcohol is expensive.
