If you have not downloaded the Peachtree software, visit Perdisco's registration and login page. Back up your company data files. An important procedure when using any computer software package is to back up your data on a regular basis.

Peachtree Nova300 - Computer Audio

Years ago we attacked this issue of computer-generated noise by isolating the USB inputs of our amplifiers. Having successfully conquered "conventional" computer noise, we want to be sure you enjoy the same noise-free performance from your iPhone and iPad.* "Smart phones, notepads and tablets are, of course, small but powerful computers.
