Physical Chemistry, 3rd Edition (Part A and B); Joseph H ...

This book was required for my physical chemistry class this year. It is not student friendly at all. Very odd way to make a textbook, not easy to read or understand. I ordered a different physical chemistry text on amazon that has better reviews. I don't know why professors use this book, they probably just don't care if you have a hard time or not. Doesn't affect their cushy jobs.
