## Homeopathy Repertory - Homopath

Complete repertory is the world's leading Homeopathic Repertory and is used by many homeopaths. The author Roger Van Zandvoort began his work after noticing the lack of information in repertory by Kent and first published it in the year 1996.

[Materia Medica & Repertory Database | National Center for ...](#)

The information in a materia medica is compiled from provings and clinical observations. What is a Repertory? A repertory is reference book that contains extensive lists of symptoms and the remedies that have been found helpful for those symptoms. A repertory is used to determine which remedies may be helpful for the symptoms presented and observed in a particular case.
