Social Psychology, 9th Edition - PDF Book - XooBooks
Social psychology has no critical experiments, no single study can prove a theory, and no single theory can fully explain the complexities of human social behavior. While all this remains true, the process of revising this textbook always seems to shows us how complex, dynamic, and responsive our field can be. As the world around us rapidly changes socially, politically, technologically, and in other disciplines so too does social psychology.

Social Psychology, 9th Edition - MyPearsonStore

Social Psychology introduces the key concepts of the field through an acclaimed storytelling approach that makes research relevant to students. Drawing upon their extensive experience as researchers and teachers, Elliot Aronson, Tim Wilson, Robin Akert, and new co-author Sam Sommers present the classic studies that have driven the discipline alongside the cutting-edge research that is the future of social psychology.
