Superworm tells the story of a heroic worm that is beloved by all the garden life for his acts of bravery and altruism. The book begins with him saving a number of creatures from a variety of predicaments. This rosy picture of garden life is soon shattered however by the arrival of an evil lizard wizard and his menacing crow sidekick. The Wizard wants to control Superworm so that he can make

A really good book that features an incredible worm that looks out for his fellow friends and an evil lizard. It has a nice message in that if you are caring to your friends, then they will help you when you are in trouble. My 4 year old understood the message on his own, and it has become one of his favorite books.
