As Tom continues to be the spook s apprentice, he matures not only as an adolescent but as a man as well. The novel is the first in a series of nine and at times can be quite dark. It is a relatively quick read, and is quite fast paced which will leave you not wanting to put it down! One of the best parts is the foreshadowing that is alluded to for the future novels to come in the series, which will have you craving to read the next books in the series as well.
