### **The Role of Accounting Management in Decision Making**

In any company, growth and profitability are two primary goals. Every role in the company contributes to the effort to reach these goals in some way, with some roles performing more aggressive duties than others. Accounting managers play one of the more profit- and growth-focused roles in a company. Persons in this position, also known as managerial accountants, have a few distinct duties to help companies make internal decisions that lead to profitability and growth.
